Tax Treatment: HighLevel is registered for VAT/GST in the United Kingdom, European Union, Canada, Australia, South Africa, Norway, and the United Arab Emirates (UAE). VAT/GST is applied based on your billing location, tax status, and applicable local laws. If you are a business customer and have provided a valid VAT/GST registration number, this supply may be zero-rated and/or subject to the reverse charge mechanism, where legally permitted. Under reverse charge, the recipient is required to account for the VAT/GST in their jurisdiction. If you are tax-exempt, or entitled to a zero-rated or exempt supply, you must provide valid exemption documentation or certificates as applicable.

Payment Terms: Taxes will be deducted from the balance of your GoHighLevel Wallet; if additional funds are required, your credit card on file will be charged.
